ATTN: All Little Creek Lodge, Little Creek Outpatient, and Shane's House Staff Members, Clients, Residents, and Stakeholders

SUBJECT: Coronavirus/COVID-19

Due to the increase in vaccinated staff and clients and a decrease in reported cases, Little Creek Lodge, Little Creek Outpatient Services, and Shane's House will be relaxing the mask mandate for clients, staff and visitors. The following protocols and procedures will take place.

1. Vaccinated and non-vaccinated visitors are not required to wear a mask while on any of the premises. Non-vaccinated individuals are encouraged to wear a mask while indoors.
2. At the Lodge, non-vaccinated visitors must complete the Covid Health Screener, which includes temperature checks and assessment for symptoms and exposure.
 - a. If they pass the screen, they are permitted on the premises without a mask.
 - b. Visitors who do not pass the screen, will not be permitted on the premises either with or without a mask.
3. At Outpatient, non-vaccinated individuals must have their temperature taken and be assessed for symptoms. Any non-vaccinated client with a fever or covid-related symptoms will be asked to return home and will be required to test negative before returning on site.
 - a. Vaccinated staff and clients who are not symptomatic do not have to have their temperature taken.
 - b. Non-vaccinated individuals are encouraged but not required to wear a mask while indoors.
4. At Shane's House, non-vaccinated individuals must have their temperature taken and be assessed for symptoms.
 - a. Any non-vaccinated individual with a Covid-related symptom will not be permitted inside.
 - b. Non-vaccinated individuals are encouraged but not required to wear a mask while indoors.

Should you have any questions, please contact Katie McKendry, Clinical Director, at kmckendry@lclr.org, (570) 689-2644 or (570) 335-7531.
